

**Would you like to...**

**... develop analytical tools to better understand and explain social phenomena?**

**...get financial support for your studies?**

**...enhance your career chances?**

Then the *Social and Political Sciences (SPS) track of the Allievi program* at the Collegio Carlo Alberto (Turin) may be right for you: <https://www.carloalberto.org/education/allievi-honors-program/overview>.

The SPS Allievi program lasts 2 years and runs parallel to your laurea magistrale and complements well the courses that you can take with AGIC. Alongside university attendance, Senior Allievi take English-language courses including in Tutorials in SPS, Applied Statistics, and Advanced Research Design. Additionally, they will develop a final thesis under the supervision of a Faculty member of the Collegio Carlo Alberto. Students who successfully complete the program receive a Master's certificate issued by the Collegio Carlo Alberto. Enrolled students will also have part of the university fees, meals, and GTT annual ticket paid. Those coming from outside of Piemonte can receive free accommodation at the Collegio Universitario Renato Einaudi.

**Requirements:**

- In September 2021, you should be enrolled in the first year of any magistrale course at the University or the Politecnico of Turin
- Your grade point average (“media ponderata dei voti”) during the triennale should not be lower than 27/30

Applications for the SPS Allievi track are **now open** and the deadline is **July 4, 2021**.
